**GENERAL ORDER
NO. 21-18**

* * *

A proceeding not defined as a civil action under Fed. R. Civ. P. 2 shall be filed as a civil miscellaneous ("mc") action only if it is included within the Categories of Miscellaneous Cases attached hereto and upon payment of the fee required in the [District Court Miscellaneous Fee Schedule](#), issued in accordance with 28 U.S.C. § 1914. All other documents submitted for filing as a miscellaneous case, or any other document which the Clerk of Court believes appears irregular or otherwise inappropriate for filing, shall be forwarded to the Chief Judge or his/her designee for a determination as to whether the document should be filed.

As required by Fed. R. Civ. P. 5(d)(4), the Clerk's Office will accept the document(s) and filing fee upon presentation, providing the individual tendering the document(s) with a receipt and a copy of this Order. Court staff will not mark the document(s) as filed or received unless and until approval is granted, at which time the document will be filed. Documents that a judicial officer deems inappropriate for filing shall be returned to the party submitting them in their original form without any court stamp or markings.

**UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF KENTUCKY
OFFICE OF THE CLERK OF COURT**

Categories of Miscellaneous Cases

Miscellaneous numbers are assigned to a variety of matters filed with the court which are not properly considered civil or criminal actions. These matters, however, may be directly or indirectly related to civil or criminal cases pending within the district or another district. In general, miscellaneous actions are used for administrative matters that require resolution through the judicial system.

A miscellaneous number is assigned to ancillary and supplementary proceedings not defined as civil actions. Subject to the limited exceptions noted below, the clerk's office will generally not assign a civil case number to a proceeding that is not contested before a judge.
